

Galileo just introduced a new step up for its very successful Milano Grand. The new Milano3G offers not only a new look with both cabinetry and an all new bigger display, but enhanced sound and amplification as well. With the Milano3G full featured specifications including the built in iPod Dock that can add an incredible entertainment addition, you cannot find another digital grand that is so featured packed. The new Milano3G, a new look, new sound and affordable pricing and available now in three new finishes, high polished ebony, beautiful mahogany and high polished white. The Milano3G with larger display combines advanced piano technologies and ensemble features - in a beautifully designed "mini grand" cabinet - at an ultra-affordable price!
