

The Milano II by Galileo combines advanced piano technologies with full-ensemble features & incredible multi-media options —at an ultra-affordable price! Designed to meet the high standards of European tradition, the Milano II is an ideal instrument for songwriters, music education, performance and entertainment. The Milano II is loaded with features including a palette of 138 built-in sounds and 100 different rhythm styles. You can add 'intros', 'endings' and 'fills' as well as record your own compositions on the built-in Multi-track sequencer. The graded-hammer action keyboard simulates the mechanics of an acoustic piano to help develop finger agility. There's a USB-computer connection & SD Card drive for recording and playback as well as an iPod® Dock! All functions are easily displayed in a large back-lit LCD display screen. The beautiful designed dark rosewood and ebony polish cabinets feature elegant acoustic-piano styling and matching piano bench. The Milano II by Galileo - Maximum features at an affordable price!
